Join Our Team! ~ Position Descriptions

Below are the current volunteer positions along with brief descriptions. Please mark off which ones interest you!

Signature Events

The Rescue

This swanky evening boasts a VIP Lounge, amazing silent and live auctions and incredible food and drink! The Rescue features a "Top Dog" Culinary Competition featuring local restaurants and their chefs. Guests enjoy a signature appetizer from each of these restaurants. Celebrity judges decide who the "Culinary Top Dog" is and guests decide who the "Howlin' Crowd Pleaser" winners are! The Rescue is held in late April each year.

Pints For Paws

Pints for Paws is an outdoor summer benefit event that features a craft beer tasting, cool raffles, outdoor bar, beer games and dogs! Usually held at a local bar or restaurant with large outdoor spacing, Pints for Paws is held in late summer, generally in August.

Pet Walk

PARL's oldest and longest running event, Pet Walk gathers hundreds of RI's with their dogs to Roger Williams Park's Temple to Music! Pet Walk is a peer-to-peer fundraising event that encourages participants to raise funds for their walk with their dog at the event. Boasting not only a beautiful day at the park with your family, Pet Walk also has prizes for top fundraisers, raffles, games and local Vendors and is held in early Fall.

Community Outreach

Tabling Events

PARL strives to be a part of as many community sponsored events as possible each year! These events help us to get the word out about what we do as an organization, promote our adoptable animals and fundraisers as well as meet our community members! These events are both indoor and outdoor and are generally Saturday or Sunday events!

Distribution & Promotion

Promoting events is the key to raising funds, and distribution of printed materials is one of the most effective ways of promoting! Help get the word out by distributing posters, postcards, invitations, and brochures to local businesses and cool local hangouts!

"Behind the Scenes" Assistance

Not available on weekends or prefer to volunteer from home? We have a volunteer opportunity for that! Spreadsheets, data entry, research, email solicitation and more can all be helped with from your own computer at home!
